

Industrial Quick Search®

What Are Advertisers Saying About IQS®?

air-cylinders.com

“Advertising with Industrial Quick Search® has been a positive experience. We have been treated with class and our inquiry levels continue to rise.”

Doug Moser, Star Hydraulics, Inc.

“I am pleased with the response from our IQS® advertising. We have received 4 RFQ’s after 2 weeks.”

Christopher J. Stabile, Festo Corporation

“Air-cylinders produced 140 visits last month.”

Jim Coshnitzke, Clippard Instrument Laboratory, Inc.

airpollutioncontrolequipment.com

“I just ran a report on Glenro’s web traffic for the last ninety days. Glenro advertises on two Industrial Quick Search® sites. Both are in the top ten of the domains that refer traffic to Glenro. Thank you IQS®.”

Jim Alimena, Glenro, Inc.

“Our decision to list with Industrial Quick Search™ has proven to be a most cost-effective investment. It provides a steady stream of well-qualified leads for our company, many of which have led to new business opportunities. Based on third party tracking we employ, the IQSTM listing continually proves to outperform other resources we utilize at this time. It is my intention to continue to renew our listing when it becomes due.”

Richard Davies, Dustex Corporation

aluminum-extrusions.net

“We are getting some attractive inquiries thru you.”

Paul Cusson, Northern States Metals Corp.

“We have been very satisfied with the traffic provided thru the use of Industrial Quick Search®. It has provided a number of good opportunities for our team. Based on our results I would recommend Industrial Quick Search® to others looking to expand their web based marketing efforts.”

Todd Boyer, Mid-States Aluminum Corp.

“We are extremely pleased with our decision to advertise with IQS®. We’ve been using your services for around 5 months and it’s already paid for itself! There’s not too many investments today that have a 5 month pay back. In addition, our volume of RFQs has increased more than 30%. The most surprising part is those RFQs are qualified leads so we’re not wasting time and money responding to RFQ’s outside our capability. Keep up the good work.”

Tom Gilluly, Profile Precision Extrusions

“We are very happy with our IQS® internet advertising program. We envision expanding it in the future. They have been an integral component of our internet marketing program and we plan to continue working with them in a mutually profitable relationship.”

Steve Peplin, Talan Products, Inc.

"Since we have had Industrial Quick Search® we have gained several very good companies that we do machining for. I am not talking about 1 or 2 but more like 6 that spend between \$100,000 & \$250,000. We have paid for your service several times over."

Thomas Deisinger, Fab Masters Company, Inc.

"We have had pretty good leads generated from this site."

Kim Crenshaw, PSI Extrusions.

"I know of some nice orders that were generated as a direct result of the site."

Susan Kozikowski, Yarde Metals, Inc.

"I'll tell you what saved your renewal..."

This renewal wasn't saved by showing a list of how many clicks he got from the various IQSTM properties, or by my personal sales effort. What saved this one was a detailed list of EXACTLY who had called him after landing on his website directed by one of the IQSTM properties.... it takes about a month to prove that your properties DO generate solid sales calls."

Rick Brown, NetTrack Marketing for Talan Products, Inc.

aluminumsuppliers.net

"In less than two months, we've had some nice order off the aluminum and stainless that have paid for our advertising."

Susan Kozikowski, Yarde Metals, Inc.

automaticguidedvehicles.com

"It has been a pleasure to market COH on the American market with your support and I am sure that Stéphane will also enjoy your high level of knowledge and professionalism."

Gilles Lafleur, COH Inc.

[In response to 2009 website Hitslink report:] "It is appreciated... and it speaks well for your sites."

Gilles Lafleur, COH Inc.

"We have received a number of leads through your site and it is a good contributor."

Roland Anderson, Amerden Inc.

ball-screws.net

"I took a sales call late last week when all the sales guys were occupied and, on a whim, I asked where they had heard of us. You can probably guess the answer. It warmed my Heart!"

Chris Oswald, Precision Technology USA, inc.

ball-valves.net

"During the past 12 months we got the most traffic through Google and right close behind was ball-valves.net. It is a good service."

Dirk Lindenbeck, Stainless Valve Company

blowmoldedplastic.com

"IQS® has been a very positive promoter to our website. Our website consistently gets 70-80 hits per week generated from the IQS® site."

Bob Ciok, PVC Container Company

"Things are crazy busy here - it's a good thing! We get many RFQ's daily from IQS."

Lori Schaefer, Agri-Industrial Plastics Company

bondedtometalrubber.com

“Industrial Quick Search® provides us with an on-site listing that is tightly focused toward one of our major areas of expertise.”

Paul White, Pelmor Laboratories, Inc.

car-wash-equipment.net

“Industrial Quick Search® has been a fantastic performer for AUTECH. IQS® generates more leads for us than any other advertising methods we use, including both the internet and print.”

Lorie Street, AUTECH, Inc.

centrifuges.bz

“IQS® is responsible for 60% of our website traffic. IQS® plays an important role in generating activity and visitations to our website. We believe that IQS® plays an important role for getting motivated prospects to our website.”

Ron Mederski, Centrifuge Solutions Inc.

ceramicmanufacturing.net

“We have had quite a few inquiries already.”

Rick Emmert, ACCCO, Inc.

“Got some good feedback from a company that uses your service.”

Gordon Murray, KEIR Manufacturing, Inc.

check-valves.net

“We are very pleased with the traffic provided through the use of Industrial Quick Search®. It consistently generates good leads.”

Connie Eller, Check-All Valve Manufacturing Company

clean-rooms.org

“I have marketed our company by way of trade shows, magazines, mailing list, etc. and the leads generated from the Industrial Quick Search® site is by far one of the best I've seen. The continued upgrading by IQS® to promote its own site has shown me that they are committed to providing me the service which was promised, quality leads. I have and will continue to refer others to IQS® for their web based marketing needs.”

John Bunch, Pacific Environmental Technologies, Inc.

“My single listing on IQS® has significantly outperformed the multiple listings we had with Thomasnet. Our proposed 2006 marketing budget has eliminated Thomasnet. In addition our ability to react quickly to the RFQ function has resulted in profitable incremental sales volume.”

Jeremy Foy, Technical Air Products, Inc.

“IQS® has provided consistent, qualified leads to my website. Over 35% of all leads received come from IQS®, per data gathered by me.”

Tim Kolacz, Clean Rooms West, Inc.

“Your service is important to generate activity.”

Kelly Barton, Class One Technology, Inc.

“I was quite pleased with the results we have been getting from this ad. I would say we have been getting at least 3-4 bid requests per month and some time 2-3 per week.”

Ross Barrick, Modular Cleanrooms

“Your site is one of the best investments and sites out there!”

Heather Wylie, HWI, LLC

“Your site has been wonderful with the RFQs and we enjoy doing business with you.”

Heather Wylie, HWI, LLC

coatingservices.biz

“Industrial Quick Search® has done an excellent job maintaining a high visibility and profile on the various internet search vehicles such as Google, which of course benefits our company.”

Randy Miller, Imagineering Finishing Technologies Worldwide

contract-manufacturing.biz

“We are getting some attractive inquiries thru you.”

Paul Cusson, Northern States Metals Corp.

conveyor-systems.biz

“IQS® has been a big part of our product awareness. They are consistently one of the biggest avenues that customers come to our website to view our services and capabilities for Pneumatic Conveying, Industrial Vacuum Cleaning and Mechanical Conveying Equipment.”

Doan Pendleton, Vac-U-Max

cooling-towers.net

“Our listings on your sites liquidchillers.com and cooling-towers.net were our top performing individual referring sites for 2004 and both had very low ‘1 & out’ rates. And, the users referred from your sites took action...at a higher rate than any other referring site. Our advertising program with IQS® has definitely exceeded our expectations. It is a great value and we will continue our programs.”

Jon Gunderson, Advantage Engineering, Inc.

“Industrial Quick Search® has been a great way to advertise and promote our products. Our company was selling strictly to one industry that became idle during the economic downturn and IQS® has allowed us to diversify into markets we wouldn’t have ever gotten the opportunity. IQS® allows you to focus on online advertising where most busy entrepreneurs search the internet in lieu of reading trade magazines.”

Glenn Whaley, Whaley Products, Inc.

copper-brass-bronze.com

“IQS® has been an invaluable tool in helping build our new business, marketing us to a whole new customer base. Thank you IQS®”

Steve Ridilla, Prime Metals & Forgings LLC

“Just wanted to convey how pleased we are with IQS®. We have had many opportunities to quote on requirements we would not have seen without Industrial Quick Search.”

James Schade , Commercial Metal Exchange, Inc.

cordsets.org

Ken Forster, APC Group, Inc.

“Keep up the good work.”

Ralph Bright, Interpower Corp.

“I am impressed.”

Tom King, Kord King Company

“Attached is a report that compares Cordsets.org and IQSDirectory.com traffic to the rest of the traffic sources:

Here are a few metrics to determine the value of your advertising investments:

Metric: Cost per visitor = Cost / Total visitors

- Cordsets.org visitors = 557
- IQSDirectory.com visitors = 301
- Total visitors = 858

1. The average time on site data is significant. It shows visitors from Cordsets.org and IQSDirectory.com stay on the website about 60%+ longer.

2. The average page views per visitor is also significant. It shows visitors from Cordsets.org and IQSDirectory.com view almost twice as many pages.”

Ivo Landre, Signal and Power Delivery Systems

customcarryingcases.net

“We got our first decent quote. It is a good one as well. Thank you.”

KC Shemtov, Premier Pack, Inc.

“Chicago Case has used IQS® for several years. The results have been terrific! The number of visits to our site increased immediately upon our listing with them.”

Stan Barrish, Chicago Case Company

“IQS® has been a good source for driving internet traffic to our website. Since we began advertising with IQS® in 2003, their site has consistently been the top URL referrer for our website traffic.”

Angela Goodrich, Polo Custom Products

“We are seeing significant traffic from the site”

Corey Creed, New World Case, Inc.

deburringmachinery.com

“I just wanted to thank you for all of your help and say that advertising with you has been well worth it. The site has definitely paid for itself. I will tell all of our sister companies about you and recommend they advertise with IQS®.”

Mark Oryszczak, Giant Finishing

“Your program is still very satisfying to us and a great value for the traffic generated.”

Mark Cantwell, Finishing Associates, Inc.

“I’m with you for the long haul.”

Mark Oryszczak, Giant Finishing

“Looks good so far.”

Ryan Warren, CLM Vibe Tech, Inc.

"Our budget has been cut so much that you are the only paid advertising we are doing this year... that should tell you what a good product we think you offer."

Brian Malley, Burkert Fluid Control Systems

die-castings.net

"IQS® provides us with literally three times more visitors to our website per month and the leads are looking for our processes and our materials. It really is impressive compared to our other online directory providers."

David Ramirez, Fielding Manufacturing

"I have found the listing in Industrial Quick Search® very beneficial. I have had more traffic from your site than many other paid submission sites and the cost from you was much less. Thank you very much for the increased business."

Bob Thomas, Kinetic Die Casting, Inc.

diecutting.net

"Last month we quoted on 16 RFQ's and no bid 4. Thanks for your help."

William Redding, Able Industrial Products, Inc.

"I can honestly say that IQS® has driven more traffic to our website on a consistent basis and more affordable price than any other competing service we have tried in the past."

Mike Dale, Stephenson & Lawyer, Inc.

"Our one IQS® listing is outperforming our entire Thomas Register® program at a fraction of the cost."

Mike Dale, Stephenson & Lawyer, Inc.

dipmoldedplastics.com

"We do have a pretty good handle on where our leads come from (and we have seen quite a few from IQS®). I am glad that we added your service!"

Julie Walotka, Galow Metal & Plastics, Inc.

"I know the site is doing a good job... our sales dept. tracks leads on this end."

Julie Walotka, Galow Metal & Plastics, Inc.

dustcollectingsystems.com

"We have received a lot of business leads from our listing on dustcollectingsystems.com. I find it a good value for the exposure."

Steve Danneker, M.E., AM Metal Specialties, Inc.

"Our decision to list with Industrial Quick Search® has proven to be a most cost-effective investment. It provides a steady stream of well-qualified leads for our company, many of which have led to new business opportunities. Based on third party tracking we employ, the IQS® listing continually proves to outperform other resources we utilize at this time. It is my intention to continue to renew our listing when it becomes due."

Richard Davies, Dustex Corporation

electricaldischargemachining.com

"Thank you for your help and assistance in putting me to the top of my industry on the Internet. I spend less money on advertising because I'm not spending so much money in the industrial buying guide hard

copies. It seems a waste of money to chop down all those trees to try to circulate the books needed to the industry. They become obsolete in one year anyway. The Internet has over exceeded the old industrial buying guide hard copies.”

Steve Miller, Milco Wire EDM, Inc.

electric-heaters.org

“You guys have a great site! Keep up the great work!”

John Stojka, Fast Heat, Inc.

electrictransformers.net

“I have to say that I am very satisfied with the traffic generated since I joined IQS®. The HitsLink is also a great tool used in conjunction with the IQS® site.”

Mark Giegel, Epco Products, Inc.

“This is our second year using Industrial Quick Search®. We are very satisfied with the results thus far and with the various services IQS® offers.”

Fran Foderaro, V & F Transformer Corp.

“I can tell you that our inquiries from your site far exceed anything else we do to advertise or market our products. Our positioning and the ease of access directly linked to our site seem to be key factors. Thanks for being a valuable part of our business strategy. You can count on our continued participation with Industrial Quick Search®.”

Bill Bockes, Johnson Electric Coil Co.

electrolessnickelplating.com

“Industrial Quick Search® has done an excellent job maintaining a high visibility and profile on the various internet search vehicles such as Google, which of course benefits our company.”

Randy Miller, Imagineering Finishing Technologies Worldwide

environmentaltestchambers.com

“Looking good... keep up the good work. We are absolutely swamped this year...again!”

Jim Carson, Russells Technical Products

“The new RFQ service delivers us bonafide prospects, not dealers from India or Pakistan.”

Dave Jung, ESPEC North America, Inc.

“What’s with all the RFQ forms coming thru? You are putting the other guys to shame!”

Dave Jung, ESPEC North America, Inc.

“Within two weeks of putting our advertisement on Industrial Quick Search®, our company had a surge of inquiries for environmental test chambers.”

Peggy Boudin, Tesco, Inc.

“We have had some serious discussions recently at Russell lately regarding how we are spending our online non PPC money... you guys came out on top with flying colors!! Keep up the good work.”

Jim Carson, Russells Technical Products

“Keep up the good work Mike! We appreciate it!”

Jim Carson, Russells Technical Products

“IQS® has done a great job helping Inplex become more visible to prospects looking for our custom

plastic extrusion capabilities in an increasingly cluttered internet environment.”

Tim Knaus, Inplex, LLC

“It is going great.”

Patrick Scully, Britech Industries

“Thanks for your service and advice over the years.”

Jeff Gage, Gage Industries, Inc.

extrudedrubber.net

“I can testify, without a doubt, that having our listing with Industrial Quick Search® has provided a steady stream of qualified leads for our company. It has resulted in several new large accounts that we would not have landed otherwise. We at Fairchild are convinced that our listing is one of the best investments for the growth of our business.”

Jim Norris, Fairchild Industries

“I’m very pleased with my advertising in IQS®. I receive on a weekly basis approximately 4-5 sales leads. I have been advertising approximately 6 months; I’ve already paid for my advertising from the sales I generated through IQS®.”

Tim Krahulec, Reliant Rubber Company

“It is going great.”

Patrick Scully, Britech Industries

fiberglassfabricators.com

“All Plastics and Fiberglass, after advertising many years with Thomas Register®, switched to Industrial Quick Search® and we have never regretted our decision. I am very happy with my results using this means of advertising and promoting All Plastics and Fiberglass, Inc.!”

Chris Bailey, All Plastics and Fiberglass, Inc.

[After 3 days...] “Already got my first very good lead! Why did I not do this earlier?”

Thomas L. Boehmer, Kitco, Inc.

flexibleshafcouplings.com

“Renewal of our listing on flexibleshafcouplings.com each year has been a no-brainer. It is consistently in our top five referrers.”

Andy Lechner, R + W America L.P.

“I am pleased to offer this enthusiastic testimonial on Industrial Quick Search®! Since signing on with your service almost two years ago, we have experienced a surge in inquiries/RFQs as a direct result of Industrial Quick Search®!”

Justin McCarthy, Clifford-Jacobs Forging Company

“I just wanted to let you know how effective our advertising is in Industrial Quick Search® - it is GREAT! We are receiving 3 to 5 well qualified RFQ’s a day off of your site, and it is obvious that we have made a very worthwhile investment! Because of the ease of navigating through your site and now your new Directory, potential customers that we have never heard of are now contacting us. IQS® is by far the best internet solution for a small to medium-size custom manufacturer!”

Justin McCarthy, Clifford-Jacobs Forging Company

"We have been very pleased with the number of leads Industrial Quick Search® generates for our gordonbrush.com website."

Kenneth L. Rakusin, Gordon Brush Mfg. Co., Inc.

"IQS®'s combination of search result prominence within our particular category of relevant key words, ongoing programs to maintain high search rankings, and the offer of a paid position of prominence on the first page of their site was an effective answer to the high prices and competitive noise experienced in the Thomas Register®. Industrial Quick Search® still out-produces the Thomas Register® by 25%-50% for significantly less money."

E.R. (Chip) Preston III, Spiral Brushes, Inc.

industrial-casters.net

"I would like to thank you for placing our company on your website listings. We have the opportunity to hear interesting comments from our customers because we had not taken advantage of listing our company on the net or with other types of advertising. Therefore, I thought it may benefit another company interested in joining Industrial Quick Search® to know that we did have a customer comment

that he found our company on your site within three days of being listed. On interviewing him (you know us marketing types), he indicated he chose your site from the initial page because it best fit his descriptive needs. He stated he routinely purchased from manufacturers in industrial product lines. Good luck with the growth of your site, it is obvious it will be successful!"

Christopher J. Stabile, Festo Corporation

"I took a sales call late last week when all the sales guys were occupied and, on a whim, I asked where they had heard of us. You can probably guess the answer. It warmed my Heart!"

Chris Oswald, Precision Technology USA, inc.

"Industrial Quick Search® is one of the top contributors to our website traffic. Very effective and a great value."

Jesse Schuhlein, Zaber Technologies, Inc.

"Linear-actuators.net is consistently one of the top referring sites every month on our website statistics report. More visits are received by them than any other online advertising that we participate in. Driving more traffic to our website results in qualified prospects inquiring about our products and ultimately increases our sales."

Marcia Colucci, Haydon Switch & Instrument, Inc.

"Performance has been consistent month to month and has outperformed all the other engineering oriented internet directory sites with which we do business."

Edward Keane, Del-Tron Precision, Inc.

liquidchillers.com

"Our listings on your sites liquidchillers.com and cooling-towers.net were our top performing individual referring sites for 2004 and both had very low '1 & out' rates. And, the users from your sites took action...at a higher rate than any other referring site. Our advertising program with IQS® has definitely exceeded our expectations. It is a great value and we will continue our programs."

Jon Gunderson, Advantage Engineering, Inc.

“www.liquidchillers.com has performed great for us.”
Ray Fremont Jr., General Air Products, Inc.

“You guys do very well for us. I truly feel that IQS® is a better value than Thomas.”
Ray Fremont Jr., General Air Products, Inc.

“Thanks for a job well done.”
Mike Marrone, Cold Shot Chillers

“Looking at the HitsLink report, we’re getting greater than 50% more leads from liquidchillers.com than we are from Thomas Register®!”
Rick Pugel, Mydax, Inc.

“Industrial Quick Search® has been a great way to advertise and promote our products. Our company was selling strictly to one industry that became idle during the economic downturn and IQS® has allowed us to diversify into markets we wouldn’t have ever gotten the opportunity. IQS® allows you to focus on online advertising where most busy entrepreneurs search the internet in lieu of reading trade magazines.”
Glenn Whaley, Whaley Products, Inc.

“We are getting results from IQS® (quite frankly much more so than from those ‘other’ people).”
Keith Mockford, Mydax, Inc.

Steve Peplin, Talan Products, Inc.

“Keep those leads coming.”

Don Buwolda, ITW Drawform

“I’ll tell you what saved your renewal...”

This renewal wasn’t saved by showing a list of how many clicks he got from the various IQS® properties, or by my personal sales effort. What saved this one was a detailed list of EXACTLY who had called him after landing on his website directed by one of the IQS® properties.... it takes about a month to prove that your properties DO generate solid sales calls.”

Rick Brown, NetTrack Marketing for Talan Products, Inc.

"Keep those quote requests coming!"
Jeff Perrigo, Western Container Corp.

"Paper-tubes.net is the most complete listing of websites in the paper tube industry. Our listing brings us year round exposure at a fraction of the cost of a yearly print ad. Marshall Paper Tube has received outstanding exposure and some very high quality leads through this listing; it's highly recommended and an outstanding investment."
Steven Ripley, Marshall Paper Tube Co., Inc.

"We chose IQS® because of its usability. When a prospective customer searches on a key word, it leads them right to IQS® and then to our website—which is the ultimate goal."
Mike Tolliver, Precision Products Group, Inc. — Paramount Tube and Stone Industrial Divisions

"I can tell you that I am impressed with the number of direct-from-IQS RFQ's that I have seen pass through thus far for Erdie."
